

May 4-8, 2020

Dear Students and Families,

We need your help! All year long, the staff at JGW has been working hard to help students learn and grow. When the Covid-19 pandemic hit, staff worked even harder to help students and their families navigate this difficult and unprecedented time. Please help us in showing the love for ALL school staff by participating in one or more virtual activities listed below for Teacher Appreciation Week.. We hope you'll help us show appreciation for the amazing staff at JGW!

Take a photo or video and share it to one of the following:
